MANUFACTURE WARRANTY (FOR RESIDENTIAL USE ONLY)

OVERVIEW

Warranty is applicable for Breda products sold in the US & Canada only. When requesting service or parts, please have the following information ready: model number, serial number, date of purchase (all the information is available in your Bill of Sale), a detailed description of the issue. Warranty is covered for residential use only and will be voided if the product is installed for commercial use (restaurants, hotels, schools, dental offices, doctor's offices, hospitals, etc.) Warranty is valid to the first ownership is non-transferable under any circumstances.

FULL TWO YEAR WARRANTY

Two year limited warranty on parts and labor on all Breda appliances from the original date of purchase indicated on the invoice. During this period, Breda will provide all parts and labor necessary to correct such defects free of charge, as long as the unit has been installed and operated in accordance with the instruction manual. Breda Home Appliances will not be responsible for extra service coverage to remote or isolated areas 50 miles outside the dealer location of purchase. Extra service coverage includes unavailable servicers in the area, premium service fees or extra travel time. The customer will be responsible for paying any additional cost directly to the authorized servicer. In addition, Breda will replace any defective unit that is deemed unrepairable caused by workmanship.

10 DAY COSMETIC WARRANTY

Cosmetic defects must be reported up to 10 days from the original date of purchase. Warranty will not be covered after the product has been installed.

NON-COVERAGE UNDER WARRANTY

1. Damage to the appliance caused intentionally or by accident
2. Transport Damage
2. Incorrect connection to power supply or water line
3. Improper Installation
4. Modification to the appliance
5. Natural disasters (floods, fires, earthquakes, lightning, etc.)

HOW TO ARRANGE SERVICE

Warranty requests must be coordinated through a Breda authorized distributor.
